Compare your body measures to below size chart you will find corresponding indicative size of the garment. Measure guide picture helps you take measures from correct position. Measures are body measures in centimeters.

How to measure

Measure directly on the body with underwear. Choose the top parts according to chest measurement and pants according to hips measurement.

A Chest

Measure just under your armpits and cross your shoulder blades, hold the tape firm and level.

B Waist

Measure around your natural waistline.

C Hips

Measure around the fullest point of your hips area while standing.

D Inner leg

Measure from front crotch point to a floor. Pants leg inner seam length is usually informed in details of style.
