ARRAK Size guide for women's Tops:

1. CHEST: Measure the chest circumference at the fullest point keeping the tape horizontal around the body.
2. WAIST: Measure the waist circumference at the smallest part of the waist.
3. SEAT: Measure the seat circumference at the fullest part of the seat, keeping the tape horizontal around body.
4. SLEEVE LENGTH: Measure the distance from shoulder bone over the bent elbow to the center of the wrist bone.
5. INSEAM: Measure the distance from crotch point to the floor.
6. CENTRE BACK LENGTH: Measurement of jacket length from the prominent bone at base of neck to jacket hem.

If your body measurements are between 2 sizes, order the smaller size for a more tighter fit or order the bigger size for a more looser fit.

Note, all measurements are body measurements and all garments have extra width for optimal movements.
