

Goo-eez Size Chart

Boot Size	Length inches	Length cm	×
2XS	1	2.5	
XS	1.4	3.5	
S	1.8	4.5	
M	2.2	5.5	
L	2.6	6.5	
XL	3	7.5	
2XL	3.4	8.5	

Measure length of paw touching the floor from back to front, including claws while the dog is standing mimicking a walking position.

For Goo-eez Regular please measure front and back paws separately.

1. If paw width is larger than length, size up
2. If paw width is the same as length or smaller, keep to size
3. If in between sizes, round up to the closest size
